

# Rotary 5040 District Conference

May 3 – 5, 2019

Sun Peaks

### The Conference:

The 2019 District 5040 Conference will be held on May 3-5 at Sun Peaks. After a 45 minute drive from Kamloops you enter the European-style village of Sun Peaks and you will immediately understand why this place is known for its recreational opportunities and wonderful facilities. What a perfect location to be inspired by a great conference! This is definitely *the* District Conference to attend!

District 5040 supports 51 Rotary Clubs throughout the Province of British Columbia. It provides opportunities for networking, information sharing, leadership and discussions of Rotary-related matters. Its aim is to recognize the service programs, projects, and public relations achievements of the Clubs within in the district. By doing so, we look to inspire Rotarians to become more involved in service.
